**DO THIS**

**MORNING TIME**

Write a note that states at least two talents or gifts you see in your child. Remember what you write because it will come up in discussion later this month for drive time.

**DRIVE TIME**

While in the car, start a conversation that goes something like this, "God can use you no matter what. Do remember the note I wrote you that said all the wonderful things I see in you? What do you think you would want to do with those gifts one day?"

**MEAL TIME**

Q & A for kids: What physical feat can you do better than anyone else you know?  
Q & A for parents: If you were all-powerful like God for a day, what would you do?

**BED TIME**

Is there something in your life that seems impossible? Facing something big like that can make you feel helpless. But here's the awesome thing to remember: God can do anything! You can live with confidence knowing that God can take away that obstacle in front of you or maybe carry you right through it. Pray that God will help you see how big He is so that you can live with confidence in Him.
