

Hi there!

More resources coming your way, as we partner with you in leading your little one in a time of devotion and worship.

Repetition is good! Watch this month's Bible story: [Paul's journey and trials](#)

Use the Parent Resource to spark discussion: [Companion Resource for Parents](#)

Choose one or both of the reinforcement options:

Use Adventure Book (Week 4) throughout the week: [Companion Resource for Parents](#)

What a great opportunity to worship and learn through the eyes of your child.

Enjoy!
