

Smart TV Tips

A Smart TV or device connected to your TV (Apple TV, Roku, Fire TV, etc.) is needed to view our services on your television. You will need to install the **Vimeo** or **Facebook Watch** app onto one of those devices first, see details below.

THE VIMEO APP IS AVAILABLE ON: Search for "Vimeo"

Samsung Smart TVs (2015 or newer)

Amazon Fire TV

Apple TV (4th generation or newer)

Android TV

Roku: my.roku.com/add/GenerationsNC

**some helpful tips for locating us on Vimeo:*

- try searching for "Generations Church" under "People" or "Channels" rather than "Videos"
- link: vimeo.com/channels/generations

THE FACEBOOK WATCH APP IS AVAILABLE ON: Search for "Facebook Watch"

Samsung Smart TVs (2015 or newer)

Amazon Fire TV

Apple TV (4th generation or newer)

Android TV

Xbox One

Oculus TV

Portal TV

**some helpful tips for locating us on Facebook Watch:*

- search for "Generations Church" or "Generations Church NC"
- link: facebook.com/GenerationsChurchNC

NOTE:

If you don't have one of the listed compatible platforms or prefer not to install the apps, you can stream videos from your iPhone/iPad and Android device to a TV:

1. Make sure your TV is connected to a streaming device (example: Apple TV, Chromecast or Samsung TV) and is on the same Wi-Fi network as your mobile device or computer.
2. Open [Vimeo](#) or the [Facebook](#) app on your mobile device or computer and find the video you'd like to stream.
3. Tap the video to expand it to full screen mode.
4. Tap  in the top right of the video.
5. Select the TV where you'd like the video to play. Enjoy.
